Set in a beautiful semi-rural location, our school has a real family feel and a positive Christian ethos.

LIFE is a Multi-Academy Trust, which believes that Learning Is For Everyone.

All those in our community are asked to consider our three principles: Learning from the past, Living in the present and Looking to the future. Each principle is important and is a part of every school in our Trust. Our schools retain their own values, traditions and distinctiveness but have also chosen to become part of something bigger and extremely exciting.

We seek to appoint passionate and professional Mid-day Assistants, to join our team where you will be part of a small, friendly school in a beautiful location. The students are a joy and you will be part of a positive environment, with inspiring and supportive colleagues who strive for excellence. If this describes you, we would love to hear from you.

The successful candidate will need to enjoy working with children and have excellent interpersonal skills, patience and a sense of humour. It will be your job to assist and support in the supervision, engagement and development of pupils during lunchtime, working in collaboration with school support staff, under the overall direction of the Headteacher. Experience preferred, but not essential.

Please submit a copy of the school's application form, which can be found on our website, together with a letter of application and supporting paperwork, to Kathryn Waters, Headteacher by 9am on Friday 28th June. The School reserves the right to interview prior to the deadline date. To find out why we are so proud of Dame Tipping, visit our website: <http://dametipping.com/>.
