

# Home Learning Booklet

## Year Reception

*'The Best that I can be'*

March 2020

Dear Parents and Carers,

The work in this pack is designed to support your child during any enforced closure we are asked to make. It is important that children continue to work on some key skills and learning whilst away from school but also have time to play and rest. Where possible, our advice is to develop a learning routine with your child; for example an agreed time when they will complete learning. Children like routine and consistency, and with a school closure and possible disruption at home, this is likely to cause unrest.

The information below is from your year group teachers and outlines the work that should be completed during the absence. Please note, this booklet was written with the assumption there will be a 2 week closure. We will ensure that 2Do's are added on to purple mash and send additional work throughout the closure.

In line with usual school procedure, we will update you when there is further news via dojo and email.

Thank you as always for your support and understanding during this time.

Yours sincerely,

Ms Holmes  
Head of School

# Home Learning Booklet

## Year Reception

*'The best that I can be'*

The children have brought home Login information for two websites: Purple Mash and Teach Your Monster To Read. Their Login information has been stuck in their reading records and the website links are below.

<https://www.purplemash.com/login/>

<https://www.teachyourmonstertoread.com/>

There are a number of activities and tasks for the children to complete on each of these websites.

The children have been set tasks on Purple Mash. Some of these are aimed at Year 1 children so please choose which activities your child completes and don't worry if they are unable to access them. There are lots of activities relating to our topic of Space where the children can write captions and short sentences.

### **Maths**

1. Practise writing numerals to 20.
2. Use the flashcards to add the numbers together. How many do you have altogether?
3. Can you order numbers 0-20?

Complete Maths activities on MiniMash and save them in your tray. You can choose which activities you would like to complete.

### **Writing**

1. Practise writing your name.
2. Practise writing the letters of the alphabet.
3. Practise writing the Read Write Inc. Set Words
4. Practise writing Red Words

Complete writing activities on MiniMash and save them in your tray. You can choose which activities you would like to complete.

### **Reading**

1. Complete activities on Teach Your Monster to Read
2. Read your school story book
3. Read stories about Space Adventures. Where would you go on a Space adventure? What would you take? What planet would you go to?

### **Homework Sheet**

Complete a minimum of three of the homework tasks based on our topic 'What happens when I fall asleep?'
