Parents and Carers

To help my child at school, I know and understand that:

- If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school.
- We will self-isolate as a family, following the Stay at Home Guidance. I will get them tested and I will let the school know as soon as possible via telephone;
- If my child shows symptoms of COVID-19 at school, I will collect my child from school immediately;
- On my commute, and when dropping my child off and picking them up, I will adhere to the social distancing rules and leave the school site promptly;
- When dropping my child off and picking them up, only one parent or carer will enter the school site;
- When dropping off and picking up, I will strictly stick to the school timings for my child;
- My child will bring a water bottle to school;
- I will need to remind my child about social distancing rules but accept they are difficult to follow and that my child may not always do this successfully;
- My child will need to use good respiratory and hand hygiene;
- I will not be allowed into the school without a prearranged appointment and make appointments via telephone or email;
- I will read all letters/messages/emails that are sent home;
- I will inform the school immediately of any changes to parents/carers and emergency contacts details;
- I will support all staff in their efforts to create an 'as safe as possible' environment during this pandemic.
