

LIFE Education Trust

8th September 2020

Dear Parent/Carer

On behalf of The LIFE Education Trust team, I would like to warmly welcome you back to school after this extraordinary and challenging few months. We hope you all managed to enjoy the Summer and feel positive about returning to, or joining, your school.

Our schools have worked tirelessly throughout the Summer to ensure that you and your children can be confident that they will be in a safe environment. Our LIFE central team has provided full support to all of our schools throughout the pandemic and we have been so impressed by the dedication, compassion, resilience and patience our teams have shown to ensure all of our pupils can get back to the importance of learning without too much disruption. Our pupils have shown great adaptability and patience as they have had to work from home for so long.

Communication is key during this next term so please keep a look out for letters and emails which will come directly from your child's school detailing any important updates and/or changes to the current guidelines. We want to ensure you are kept as up to date as possible.

I'd like to finish by extending my thanks to you as parents and carers who have encouraged and supported your children throughout this time. We will do everything possible to ensure that they succeed and thrive in the coming months.

With best wishes

Julian Dutnall
CEO, LIFE Education Trust
