

LIFE Education Trust

31st December 2020

Dear Parent/Carer,

You will probably have heard the announcements from the government yesterday about schools. As all LIFE Schools are within Tier 4 areas which are on the government's high risk list, please note the following:

All LIFE schools will remain closed until at least Monday 18th January.

Vulnerable children and children of key workers can attend from Tuesday 5th January if they notify their school.

Year 11 and 13 pupils are currently expected to return on Monday 11th January.

Remote learning will be provided from Tuesday 5th January for all pupils.

All of our schools will write to you before Monday 4th January with additional information.

Please do not hesitate to contact your child's school next week if you require further information.

With our very best wishes in these challenging times.
