Dear parents and carers,

We have reached the end of another exciting week of learning at Dame Tipping.

Badger Class had a wonderful learning experience on Monday when they were visited by some African animals; many of the children showed courageous optimism when gathering the courage to touch the animals in particular the snakes!

Reverend Naomi, led collective worship on Tuesday when the children extended their prior knowledge about Moses.

Fox Class had their very first Forest School experience on Wednesday, they looked they had great fun learning outdoors and developing their spirituality.

It was good to see so many children wearing red today in aid of Comic Relief.

Entry for the Zoe Bear Easter Bonnet competition closed today, there were some fantastic entries with children clearly demonstrating Boundless Creativity. A winner for the Trust will be selected next week.

Our book fair a couple of weeks ago was a huge success and we again thank you all for your generosity; as a result of the books you purchased for your children plus a very kind donation, we raised £324 to purchase books for the school. These new books will be placed in classrooms and in the library.

Next Thursday, Robin and Kestrel classes will be visiting St. John's Church for an Easter learning experience.

Friday will be Scientist and Inventors day, we cannot wait to see all of our young scientists arrive at school in their creative outfits.

Thank you for your continued support of your child and the school.

Have a lovely weekend.

Kind Regards,
Stella McCarthy
Head of School
