Dear parents and carers,

This week at Dame Tipping we've enjoyed a wonderful second week of the Spring Term, filled with energy, enthusiasm, and a shared sense of purpose as we continue our learning journey together.

A particular highlight has been seeing Robin Class embrace their first Forest School session of the academic year. It was a joy to witness their excitement and curiosity as they explored the great outdoors, engaged with nature, and worked together to learn new skills. Their smiles and laughter were a testament to how much they enjoyed this enriching experience, which beautifully complements our school's commitment to nurturing a love of learning and appreciation for spirituality and God's creation.

Looking ahead, there's a buzz of excitement in Badger Class as they prepare for their Toys Through Time session next Tuesday. This special event will see parents and carers invited into school to share memories and examples of toys from their past, giving our children a wonderful opportunity to learn about history in a personal and engaging way. We're so grateful to our school community for supporting this event, and we know it will be a meaningful experience for everyone involved, sparking curiosity and conversations across generations.

We hope that you all have a wonderful weekend and look forward to another engaging week of learning and flourishing next week.

Kind regards

Stella McCarthy
