Dear parents and carers,

We have reached the end of another half term and are now half way through this academic year. It seems to be going very quickly.

The children have completed some wonderful learning this week. Year 3/4 made some aqueducts based on the structures used by the Romans.

We celebrated attendance this morning with 36% of pupils achieving 100% attendance which is a wonderful achievement. Well done to all of those pupils!

In addition we commended some fantastic pieces of home learning from pupils in Badger and Robin Class. This home learning is displayed both within the classrooms and around the school. Keep up the amazing effort!

On Tuesday we took part in National Safer Internet day. This year's theme was 'Too good to be true? Protecting yourself and others from scams online'. The children across the school were able to demonstrate an excellent understanding in relation to this. We also conducted lots of Computing activities across the school on this day writing algorithms and debugging code.

The last two afternoons we had wellbeing activities for all children across the school which the children thoroughly enjoyed.

Today we were delighted to be on the front page of the Romford Recorder, we have shared this over our new social media network Bluesky. All LIFE Education Trust Schools have created accounts as this is an additional way of celebrating our achievements and sharing some of our wonderful learning experiences.

On Thursday 6th March we will be celebrating World Book Day. As part of our celebrations, we would like children (and staff!) to attend school dressed as their favourite book character. On this day there will be a read around where each member of staff reads to the children in every class around the school. In addition, we will have a World Book Day parade.

We would like to take this opportunity to thank you all for your continued support of your child and the school. Have a wonderful half-term break.

Kind regards

Stella McCarthy
Head of School

Safer
Internet
Day 2025 | Tuesday
11 February

Coordinated by the UK Safer Internet Centre

saferinternetday.org.uk

"Love to learn; learn to love"

Achievements Assembly

Congratulations to the following pupils for being celebrated in assembly today;

Work of the week

Fox Class - Tiyra - for the incredible effort she has put towards out maths lessons this week and for the creativity she has shown in art.

Badger Class - Tommy for his character description in English on Traction Man.

Robin Class - Erica for her handwriting and improving her writing skills.

Kestrel Class - Year 6 for all their hard work and dedication to learning this week

Core Value Commendations:

Fox Class - Albie- For showing heartfelt compassion to all of his friends and for especially going above and beyond for his peers if he sees they need help.

Badger Class - Nellie for showing boundless creativity in her character description on Scrubbing Brush.

Robin Class - Aston for showing all three of our school's core values during his final week.

Kestrel Class - Year 5 for showing all of our Core Values this week when supporting Year 6

Our school life in pictures
