Dear parents and carers,

A wonderful week of learning at Dame Tipping!

Robin Class went back in time as they took part in a Stone Age Experience Day at Benhurst Primary School. This immersive experience brought their history learning to life and has sparked an enormous amount of curiosity about life in prehistoric times. The children have been enthusing about their experience throughout the day today and as a result produced some excellent writing this afternoon.

Thank you to the children who attended Education Sunday with me last weekend. They showed courageous optimism in performing their prayers to the whole congregation. Reverend David was delighted to welcome the children and their parents; members of the congregation had very positive comments. The paperchain which the school and the congregation produced was an excellent representation of the importance of the links between all people who contribute to a child's education.

On Wednesday the 2nd October we will be going as a whole school to St. John's for our annual Harvest Festival Service. Please refer to the letter sent via Parent Pay for further details. If you are able to spare some food or toiletry donations for both the Collier Row and Harrold Hill Foodbanks then please send these in with your child before Wednesday.

Next Friday is the first PTFA 'Go Create' day of this academic year. The children are invited to come in to school on Friday wearing something creative which represents Autumn a £1 voluntary donation is requested. Prizes will be given for the most creative costumes.

The first Census of the year is on Thursday 3rd October. Every Census we encourage all our pupils to take a school dinner as this can impact on how much funding we receive from the Government, which is used towards educational resources for the school. Your support is always appreciated.

On Monday the links to book your child's parents evening slot will be launched in their Google Classrooms. If you have any problems with the link then please discuss this with your child's teacher.

I would like to take this opportunity of wishing you all a lovely weekend and thanking you as always for your continued support of your children and the school..

Kind Regards,

Stella McCarthy
Head of School

"Love to learn; learn to love"

TERM DATES:

Autumn Term 1

4th September to 25th October

Autumn Term 2

4th November to 20th December

NOTICES:

Swimming for Robin Class
