Dear parents and carers,

This week Dame Tipping have welcomed Autumn in a variety of ways.

On Wednesday all the children went to St. Johns' Church for the annual Harvest Festival Service. We would like to pass on our thanks to Reverend Naomi for leading this service. We would also like to thank all of the parents/carers and grandparents who attended. The larger the congregation, the more the children enjoy it. The donations for the Collier Row and Harrold Hill Foodbanks were extremely generous and we will make sure that these are delivered to them this week; thank you all for your heartfelt compassion in making these donations.

Today we had the first PTFA Go Create day for this academic year with 'Go Create Autumn' there were some really creative costumes in each class, the hall in Collective Worship this morning looked lovely with all the children in their Autumn colours. Thank you for making such an effort and supporting your child.

Next Wednesday twelve children from Kestrel Class will be representing the school by running in the Havering Collective Cross Country event at Stubbers. We wish them the best of luck and hope that they thoroughly enjoy taking part.

Can we politely remind all parents of children in Robin Class of the importance of arriving at 8:20 on Tuesday for the coach to be able to leave the school as close to 8:30 as possible. Please ensure that your child has their swimming kit with them, as this is a compulsory part of the school curriculum. Any delays mean the children have less time in the water. Children who arrive late at school will join another class in the school to complete learning until Robin class return. It is not possible for pupils to meet the class at swimming.

I would like to take this opportunity of wishing you all a lovely weekend and thanking you as always for your continued support of your children and the school.

Kind Regards,

Stella McCarthy
Head of School
