Dear Parents and Carers,

We have reached the end of this half term, it seems hard to believe that the children only have one half term left in their current year group.

This week Year 3 had the opportunity to visit the farm at Frances Bardsley Academy for Girls (FBA) they had a really wonderful learning experience and got to hold a variety of animals.

Next half term is packed with wonderful enrichment experiences for each year group. Fox Class will be visiting Hertfordshire Zoo. Badger Class are visiting the Toy Museum and Robin Class will be visiting the Tutankhamun Immersive Experience.

Kestrel Class have their Activity Week plus other events.

This weekend Saint Francis Hospice are opening their beautiful gardens to visitors. There is a lot of history linking Dame Tipping School to the Hospice, The story has it that rose connoisseur Joseph Pemberton, who lived by what is now our hospice in the 18th century, used to invite children from Dame Tipping Primary School to come and enjoy homemade lemonade during the summer and the hospice staff today would like to do the same. I do hope that some of you are able to visit and represent the school. We have attached a copy of the flyer from Saint Francis Hospice.

We would like to take this opportunity to thank you for everything that you do to support your child and the school.

Have a wonderful half term with family and friends. We look forward to welcoming the children back on the 2nd June.

Kind regards

Stella McCarthy
