Dear Parents and Carers,

It has been another very busy week at Dame Tipping. The children in Badger Class Completed their Phonics Assessments this week and the Year 4 children in Robin Class Completed their Multiplication Times Table Checks. The children all worked extremely hard and showed Courageous Optimism and Heartfelt Compassion towards each other.

On Monday our Year 6 pupils attended the Diocese Leavers Service at Chelmsford Cathedral, This experience was really joyful and moving with a variety of schools all coming together.

Brenda (the Buzzard) has been quiet this week and therefore from Monday we are going to slowly start to take the pupils outside for breaktime and lunchtime. We will continue to risk assess this on a daily basis.

We received a surprise visit from the parent of two of our previous pupils on Thursday. She brought with her a lovely card from her two sons and an amazing cuddly toy buzzard. It was wonderful to have her visit and so nice to hear that the boys are doing well at their new school. In their own words in the card they request for Dame Tipping to 'Keep being the best school in the universe!' What a fantastic gift and card to receive.

The PTFA purchased two large gazebos for the school and we will endeavour to erect these next week. These will offer protection and shade for the children. As we are hoping to take the children outside could you please apply sun cream in the morning before the children come into school and ensure they have their water bottle and a sun hat.

Any year groups that have not yet had an opportunity to visit the farm at FBA will hopefully get an opportunity during the next few weeks.

If there are no problems caused by Brenda next week then we will be able to confirm the date for Sports Day.

I would like to thank you all for your continued support of your children and the school.

Kind regards

Stella McCarthy
